1. We note that substantially all of your officers and directors are located outside of the United States. Please create a separate Enforceability of Civil Liabilities section for the discussion of the enforcement risks related to civil liabilities due to your officers and directors being located in China, Hong Kong, Macau or other locations. Please identify each officer and/or director located in China, Hong Kong or Macau and disclose that it will be more difficult to enforce liabilities and enforce judgments on those individuals. For example, revise to discuss more specifically the limitations on investors being able to effect service of process and enforce civil liabilities in China, lack of reciprocity and treaties, and cost and You may have time constraints. Please also revise the risk factor difficulty enforcing judgments obtained against us on page 77 to expand this risk to contain disclosures
